

Dear Parents,

September 03, 2021

This year we will offer students punch passes to use only for the canteen. The canteen will only be serving hot meals until further notice. Students will be able to preorder for the week their hot meals and it will be delivered to their homerooms at lunch time. Lunches will be prepared, pre-packaged, and delivered following guidelines. Google forms will be sent to students on Tuesdays to pre-order for the following week. Forms will need to be completed by Thursday before 3:00 PM as Friday is the day groceries are picked up. I will not be able to take orders after the deadline. Please discuss with your children if you do decide to purchase a punch pass so you know which days they do require lunch and the days they have ordered lunch from the canteen.

The punch pass can be purchased for \$35.00 and allows your students 10 meals. Students can purchase a punch pass at the office in the form of cheque, debit, or cash. Visa and Mastercard can be taken over the phone. The canteen will not be handling payments at this time. All transactions will need to be completed at the office. The pass will be left at the canteen so not to be misplaced. Once the punch pass has used its last stamp I will send a reminder home with the student so you can be informed.

The canteen will open the week of September 20th.

God bless,

Mrs. Unwin
